## Irish-American Orthopaedic Society 2023 ORTHOPAEDIC SYMPOSIUM AUGUST 24-25, 2023 TRINITY COLLEGE DUBLIN TRINITY BIOMEDICAL SCIENCES INSTITUTE

Dear Exhibitor,

On August 24-25, 2023, the Irish-American Orthopaedic Society (IAOS) will hold its 2023 Orthopaedic Symposium in magnificent Dublin, Ireland! This important conference will feature presentations and symposia on issues of current interest to practicing orthopaedic surgeons. We expect orthopaedic surgeons from Ireland and the United States to attend.

On behalf of the IAOS, I invite you to participate in our upcoming 2023 Orthopaedic Symposium as an Exhibitor. The symposium will be held at the historic Trinity College Dublin, in the Trinity Biomedical Sciences Institute, where the meetings will include a mix of academic and private practice doctors with whom to interact. I am sure that your company will want to reflect its commitment to the practice of orthopaedic medicine by registering as soon as possible since exhibit space is limited.

We thank you for your continuing commitment to orthopaedic education around the world, and we look forward to seeing you at the IAOS 2023 Orthopaedic Symposium in August, 2023!

Sincerely,

Michael P. Muldoon, MD  
President, Irish-American Orthopaedic Society
